our newest cutting edge releases in health technology.

Return Policy

No credit or refund will be issued on returned products without prior authorized approval.

UNOPENED PRODUCTS: All products must have prior, authorized approval from our customer care department. If you are dissatisfied with any product, please call our customer care department within 45 days of shipping date to get a return pre-approval and Return Number Authorization (RNA). Your credit or refund will not include associated handling or shipping charges previously paid. We will not accept a package that does not have an RNA.

OPENED PRODUCTS: In house credit only. All products must have prior authorized approval from our customer service department. If you are dissatisfied with any product, please call our customer care department within 30 days of shipping date to get a return preapproval and Return Authorization Number. Your in-house credit will not include associated handling or shipping charges previously paid.

No Returns on Books, CD's or DVD's except for manufacturer defects.

Miscellaneous Free product specials must be returned along with your return for a full refund or in house credit.

EXAMPLE - If you purchased any special getting a free item, the free item must accompany the returning items.

For all approved returns, the customer is required, at customer expense to return the products along with the Return Number Authorization on the outside of the package to:

Valerie Saxion, Inc. 3800 Sandshell Drive, Suite 130, Fort Worth, TX 76137
